Apostolic Summit

International Convention Centre - Arena, Durban, South Africa

19-22 July 2009

Invitation:

**Global Apostolic Summit,
Durban International Conference Centre, Arena
19-22 July 2009**

The Apostolic season has been in the earth for almost two decades. This season has enforced the reformation of the Church. As the Church is accurately built, it encapsulates Isaiah's description of Zion, elevated above all the hills and the mountains, drawing the nations to be taught God's Laws and beholding the Glory of God (Isaiah 2: 2,3)

South Africa is undoubtedly one of the locations in the earth that God has sovereignly endowed to propagate the message of the apostolic season. Many Church leaders of different cities in South Africa have embraced the apostolic message. These leaders have been aligning themselves in covenant relationships free of racial, cultural, ethnic, gender and social prejudices. These synergistic relations are built on grace.

God skillfully builds His Church through grace. Grace is packaged in human vessels who are sent as divine messengers to build the household of God.

"He has given in the Church some to be apostles, some to be prophets, evangelists, pastors and teachers to equip the saints for their ministry..." (Eph 4:11)

The city of Durban will be hosting one of the most significant Global Apostolic Summits at the International Conference Centre from the 19 -22 July 2009. Those who have embraced this Apostolic season will be gathering from all over the World to make a declaration that the Church is emerging with governmental authority to advance and establish the Kingdom of God over the kingdoms of this world. It is a declaration of the emergence of a glorious Church bringing to fulfillment the will of God in the earth.

We warmly welcome you to join with leaders from the nations for this significant Summit. The Global Apostolic Summit will be historic, strategic and life changing. Do not miss it

Yours in Christ

Frans du Plessis, Durban, South Africa
(On behalf of the Apostolic Elders in South Africa)
